and Visually Impaired

# V.I.P. Experience

## Vision. Impacts. Perspective.

A team-building experience, designed to be part of a department breakfast or lunch meeting.

Promote inclusion in your workplace, increase awareness of **vision** loss; understand local resources.

Support multiple local nonprofits through this collaborative effort. Drive **impact** through employee engagement and volunteer opportunities.

Gain valuable **perspective** through this immersive one-of-a kind dining experience with your team or department. "Dining in the Dark" brings incredible perspective to your team and highlights the impacts of vision loss. Collectively, your team will also learn more about ADA compliance, accessibility and awareness.

Hear Mary's personal story of vision loss as you are guided through a meal without the sense of sight. Learn how you can engage with SLSBVI for volunteer opportunities.

**Mary Morgan-Corbitt**  
SLSBVI Volunteer

Gain understanding for the services SLSBVI provides to people in the greater St. Louis Metro area and how important community engagement is to continue our mission.

**Megan Connelly**  
Director of Development

## Ready for the V.I.P. Experience?

 **Breakfast & Lunch Rates Available**

 Your Office or Ours:  
8770 Manchester Rd, St. Louis MO 63144
